Mrs. Clarence Bruns of Prairie street is suffering with the gripe.

Miss Louise Bowman of Hickory street will leave Sunday with her parents for their new home in Lafayette, Ind.

Mrs. Mary Huntington of West Marion street is sick with the gripe.

# NOBODY KNOWS HOW I SUFFERED

COULD HARDLY WALK OR DO ANY WORK FOR 15 YEARS—NOW WELL AND STRONG.

"Before I began Tanlac it had been fifteen years since I was able to do my housework; today I not only did all my housework, including a big day's laundrying, but walked down town. That is what Tanlac has done for me."

This was the statement made by Mrs. Clara Wys, of 201 Peoria Ave., East Peoria, Ill., in the Sulliff and Case Drug Store recently. Continuing, she spoke of her remarkable restoration to health by Tanlac as follows:

"For fifteen years I had been in such a deplorable physical and nervous condition that I had to keep quiet and rest all the time. They even had to muffle the telephone bell and keep all depressing or excitable news from me and I could not even read the newspapers. My stomach was in such a weakened condition that everything I ate distressed me dreadfully, even such light things as milk and toast causing terrible pains around my stomach.

"I kept getting weaker and weaker and finally got so I could hardly walk alone. Nothing did me any good and I got so blue I would cry for hours at a time. No one knows how I suffered and how I longed and prayed, for health—just health alone without riches or anything else, for all the riches in the world wouldn't have helped me.

"One day my husband brought me a bottle of Tanlac and told me how much good it had done other people. The first improvement I noticed was that shortly after I began taking the medicine I slept all night long one night for the first time in several years. Then I began to get so hungry that it scared me and I wouldn't eat at first, but finally I got so hungry I simply had to eat and I was very much surprised to find that it did not hurt me. From then on my improvement was steady, and I never let up on Tanlac until I took eighteen bottles.

"Now I never know what it is to be nervous, I can enjoy every day with my family and when mealtime comes I sit down and eat as heartily as when I was a girl. All my dreams of health and happiness have come true and I shall praise Tanlac as long as I live."

Tanlac is sold in Elkhart by Clem Drug Co., in Wakarusa by George W. Klimer, in Goshen by Golden Rule Drug Co., and in Nappanee by C. W. Johnson & Son. Advertisement.
