KONNECK-CHRISTNER

A pretty wedding was solemnized on Thanksgiving day at the home of Mr. and Mrs. John Konneck of near Union, Mich., when their daughter, Miss Helen E. Konneck, became the bride of Ora A. Christner, son of Mr. and Mrs. Edward Christner, also of Union. The double ring ceremony was conducted by Rev. E. H. Spathelf of St. John's Evangelical Lutheran church in this city at the home of the bride's parents.

The bride was attended by her sister, Miss Edythe Konneck, as maid of honor, and Warren A. Dettweiler of this city, acted as best man. Little Ruth Konneck carried a large lily in which were concealed the two wedding rings.

The bride wore a becoming gown of white georgette over white satin with a full length veil, and carried a huge bouquet of bride's roses. Her maid was prettily attired in white organdie and carried Killarney roses. The house was attractively decorated in colors appropriate to the season, the same scheme being used on the table, where a dinner was served to 75 guests. Included in the table decorations were two wedding cakes.

OUCH! SUCH PAIN! It Takes You Right in the Back!

It's all due to an over-abundance of that poison called uric acid. The kidneys are not able to get rid of it. Such conditions you can readily overcome, and prolong life by taking Anurio.

This can be obtained at almost any drug store, in tablet form.

LAFORTE, IND.—I suffered for nearly a year with catarrh. I was unable to work for two months in the spring and about three weeks in the fall. I took electric treatment and several different kinds of medicine but got no relief until I came into possession of a bottle of Doctor Pierce's Anurio (anti-uric acid) Tablets, which I took in accordance with directions. One week after I started taking Anurio I went back to work in a greatly improved condition, and to-day, no matter what the weather is I have no pain from catarrh, so I will recommend the Anurio Tablets to all who are suffering from rheumatism.
